HONGKONG, FEBRUARY 16th, 1898.

THE success of Germany in dealing with the invertebrate body doing duty as a Government at Peking has certainly had some good results. Having made ample compensation to the German Government for the murder of German missionaries in Shantung, they could not refuse the indemnity asked by France for the kidnapping of a Frenchman in Tonkin. It is true that this is not the first outrage of the kind suffered by Frenchmen in that so called protectorate, nor the first time that an indemnity has been paid, the Lyaudet family having been compensated for their abduction and the hardship to which they were subjected during their captivity; but on the present occasion a settlement seems to have been effected more promptly. At first sight it seems rather hard to expect the Peking Government to exercise control over the actions of Chinese banditti beyond their jurisdiction. When France assumed the protectorate of Annam and Tonkin, China was relieved of her responsibilities as suzerain over those kingdoms, and could not be expected to make herself answerable for their peace and good order or account for the safety of foreigners travelling or trading there. But this is not the point; it is not, we believe, on these grounds the claim has been put forward. What has happened for many years is this. The Government of Yunnan, somewhat more corrupt and unscrupulous than that of most other provinces of the Chinese Empire—because further removed from control by the Central Administration—were accustomed in former times when the soldiers of the provincial forces asked for their long over due pay to give them a supply of ammunition and tell them to cross the frontier and help themselves to what they could get by loot. The Black Flag bands had already pioneered the way in this line, and the Imperial soldier had no scruples in following the example so successfully set. That these banditti were Chinese was quickly known, and that they were regular troops was discovered ere long both by the tactics shown and the breechloading rifles and ammunition they carried. The ransoms demanded for many abducted Frenchmen have had to be paid before their release, and this has emboldened these wandering bands to fly at high game. Moreover, the predatory expeditions of these Chinese brigands served to incite the lawless part of the native population to similar deeds, and all efforts of the French authorities in Tonkin to repress piracy so-called have failed. No doubt the country might have been brought into better condition had the French administration been more vigorous and more strongly supported by arms, but whatever the shortcomings of the Tonkin authorities they had good right to complain when bands of soldiers were permitted and even encouraged to roam over the Yunnan frontier into the country to make up for loss of pay by plunder of their neighbours. It is therefore with satisfaction we note that the French Government have at length succeeded in making the Chinese understand that such invasions of peaceful countries will not be tolerated in the future.

The N. P. steamer *Columbia* arrived at Tacoma from Hongkong and Japan on the 12th instant.

The P. and O. steamer *Bengal* left Singapore for this port with the incoming English mails at 6 p.m. on the 14th inst., and may be expected to arrive here about 2 p.m. on Sunday next, the 20th instant.

The Hongkong, Canton, and Macao Steamboat Company's steamer *Pearson*, having repaired the damage sustained in the recent collision with the *Kwangtee*, has resumed her place as night boat on the Canton line. Captain Clarke, who has been temporarily transferred from the Macao boat *Heungshan*, is in command.

The Dramatic Company of H.M.S. *Powerful* will, by kind permission of Captain the Hon. Hodworth Lambton, give a performance in the Theatre Royal on Wednesday evening next, the programme of which will be found in our advertisement columns. The Company possesses a high reputation and in the other ports where they have performed their entertainments have invariably drawn large audiences and afforded much enjoyment.

At a special meeting of the Sanitary Board held yesterday morning it was resolved to declare No. 4 Health District an area infected with smallpox. There were 48 cases of smallpox last week and most of them came from No. 4 district. The effect of the resolution is that house to house visitations can be made and steps taken for the proper cleansing of unwholesome premises. It was also resolved to open a free vaccination station in No. 4 district and at the Tung Wa Hospital, and to appoint an assistant sanitary inspector.

HONGKONG RACE MEETING.

FIRST DAY,—TUESDAY, 15TH FEBRUARY.

The 1898 Hongkong race meeting opened under more favourable auspices than the meeting last year. The outlook early yesterday morning was certainly not particularly promising, but towards eleven o'clock the air cleared and although the sun was obscured during most of the day the weather was fine, but the absence of any breeze made the atmosphere very sultry. The private stands gaily displayed a highly picturesque assortment of flags and streamers and foliage, while the grand stand decorations consisted principally in the bright effect produced by the presence of a very large number of nicely dressed ladies and—for the races—faultlessly attired gentlemen. Judging by the many seen yesterday, there has been an abnormal run on tall white hats and frock coats, indicating, doubtless, an increased interest in our great sporting fixture. It is extraordinary, too, how great is the interest that the Chinese take in the races. During the past three or four days five or six thousand Chinese have arrived in the colony from Canton, and all day yesterday the green was swarmed with natives, who seemed to be as pleasantly excited over the racing as the people in the enclosure. During the afternoon the band of the King's Own Lancaster Regiment played several selections of music. The police arrangements for the proper control of the heavy traffic were most efficient.

The racing was thoroughly enjoyable, big fields, close finishes, and good times being the order of the day. Owing to the strict enforcement of an excellent rule the last event was over before darkness set in. No pony was allowed to go on to the course after the third bell, and jockeys were requested to verify their weights on the extra scales before getting weighed by the clerk of the scales. This rule saved much valuable time and consequently all the races were started almost punctually, the whole of the day's proceedings being over at 5.20. Four events were decided before tiffin, and the Derby was the second race after the usual interval. There were twelve runners and there was much speculation about the result. Plunger was by many people looked upon as the winner, but as events proved he was very easily beaten, Yonesei obtaining the victory after a race which was full of interest. Contrary to his usual custom Mr. Master was not very fortunate in his mounts, scoring only one victory, but he was unfortunately suffering from fever and this circumstance no doubt accounts for the falling off in his record. The principal event to-day is the race for the German Cup, for which there is every probability of a large field turning out.

The following is a list of the officials:—

Stewards:—His Excellency Sir William Robinson, G.C.M.G.; His Excellency Vice-Admiral Sir Alex. Buller, K.C.B.; His Excellency Major-General Wilsone Black, C.B.; Commodore S. C. Lt.-Col. The O'Gorman's Morrison, 10st. 12lbs.....(Capt. Loveband) 0
Mr. G. H. Potts's Tocsin, 11st. 4lbs.....(Capt. Burney) 0

A punctual and fairly good start was made, Silver Bell was the first to come from the bunch, Viceroy being close up, with Sport and Red Rose handy. Silver Bell continued to hold a slight advantage on entering the straight and then Slander came out in beautiful style. A capital race ensued between Silver Bell and Slander, the verdict going to the former, who won by a short head. Red Rose was a good third, Viceroy, three lengths behind, being fourth. Time, 59½ secs.

The "VICTORIA" STAKES; a sweepstakes of $10 each with $250 added; second pony to receive $50; for China ponies; weight for inches as per scale. One mile.

Messrs. McKie & Gove's Roitelet, 11st. 11lb.....(Mr. Crawford) 1

Mr. John Peel's Kenneth, 11st. 11lb.....(Mr. Master) 0
Mr. Westfield's Desperation, 11st. 11lb.....(Capt. Burney) 0

This race was an exceedingly interesting one from start to finish. The flag fell to a good start, Tantivy, Desperation, and Tyne being the leaders with Roitelet, who was kept in reserve, last. At the bridge Kenneth went up and got abreast of Tantivy, and towards the hill he overtook Desperation, who then fell back in the rear. Kenneth forged ahead and got a lead of a length, but on reaching the village Roitelet came out and got into a beautiful stride, being one of the leaders on entering the straight. Kenneth was evidently beaten and fell back, the lead being left to Roitelet, Guiding Star, Tyne, and Bickleigh, all of whom ran a splendid race home, Roitelet, for the second year in succession, winning by half a length; a length and half between second and third, and half a length between third and fourth. Time, 2 mins. 5½ secs.

The MAIDEN STAKES; value $400; second pony to receive $75; third, $50; for China ponies *bond fide* griffins on date of entry; weight for inches as per scale. Entrance $10. Three quarters of a mile.

Mr. Derick-Hunter's Fortunatus, 10st. 12lbs.....(Mr. Crawford) 0
Mr. W. York's Backingham, 10st. 12lbs.....(Capt. Burney) 0

There was practically no delay at the post, Lohengrin, Fortunatus, and Display showed the way, and at the hill they were joined by Rubio. At the village, however, Tube Rose came up and just before entering the straight Undaunted pushed to the front and from that point the race lay chiefly between Tube Rose and Undaunted, both ponies were severely whipped and the result of the struggle was that Tube Rose scored the victory by a length; six lengths between second and third. Time, 1 min. 30½ secs.

The VALLEY STAKES; a sweepstakes of $5 each with $200 added; first pony to receive 70 per cent.; second, 20 per cent.; third, 10 per cent.; for subscription griffins of this season, 1897-98; weight for inches as per scale. Three quarters of a mile.

Mr. Tilbro's Honest John, 11st. 11lb.....(Mr. Marshall) 0

The fourteen runners were out in good time, but as was expected there was some delay at the post. The flag at length fell to a rather scrambling start. Deceiver, Landsknecht, and Hector were the first to show up, and the order of running was precessional all through the race. Beechwood got the lead in the straight, and won a rather uninteresting race by two lengths. Time, 1 min. 34 secs.

THE FOOCHOW CUP; value $250; presented by the Foochow community; second pony to receive $50; for China ponies; weight for inches as per scale. Entrance $5. Two miles.

Mr. Dryasdust's Sinbad, 10st. 9lbs.....(Mr. Marshall) 1
Mr. Tin Wo's Dogoni Wetr, 10st. 12lbs.....(Mr. Cruickshank) 2

Mr. Buxey's Black Eagle, 11st. 1lb.....(Mr. Wuillemier) 0
Mr. Derick-Hunter's Blue fire, 11st. 1lb.....(Mr. Burkhill) 0

The ponies were soon got off, Sinbad being first, Dogoni Wetr second, and (several lengths behind) Pineapple third, Blue Fire fourth, and Black Eagle last. Just before entering the straight Black Eagle caught up Blue Fire and the pair almost overtook Pineapple. At the bridge the ponies closed up, but there was no alteration in the order. In the straight Sinbad obtained a very big advantage and won in a common canter by several lengths. Time—4 mins. 23 secs.

The HONGKONG DERBY; a sweepstakes of $20 each with $1,500 added; (half forfeit if declared on or before day of closing entries); for China ponies *bond fide* griffins on date of entry (Saturday, 15th January, 1898); first pony to receive 70 per cent.; second, 20 per cent.; third, 10 per cent.; weight for inches as per scale. One mile and a half.

Messrs. McKie & Gove's Beechnut, 10st. 12lbs.....(Mr. Crawford) 0
Mr. John Peel's Queensberry, 11st. 11lb.....(Mr. Master) 0

The Unknown appeared at the outset to give his jockey some trouble and he had to be led to the post. Oliver and Mr. David's two ponies were the first to get away after a very good start, Queensberry being fourth. On passing the stand for the first time Bannerman was first, Queensberry second, Oliver third, Statesman fourth, and Rockwood fifth, Plunger being near at hand. Solitaire came up from behind and looked dangerous. After passing the bridge the ponies were all in a bunch and riding hard. Solitaire was the first to show prominently, being followed by Yenisei, and the two went a long away ahead, but at the village Tea Rose came out and got into a beautiful stride, but Yenisei was already too far ahead to admit of any doubt as to the result and he won comfortably by half a dozen lengths. Tea Rose and Solitaire ran a dead heat for second place, Rockwood being fourth, and Plunger fifth a long way behind. Time, 3 mins. 14½ secs.

The LUSITANO CUP; presented by the members of the Club Lusitano; second pony to receive half the entrance fees; for China ponies; weight for inches as per scale; previous winners at this meeting 7lbs. extra; subscription griffins of this season, 1897-98; allowed 7lbs.; entries $10. One mile and a quarter.

Mr. Hy Edgar's Castanet, 11st. 4lbs.....(Mr. Bucknall) 0
Mr. Tin Wo's Jeevchik, 11st. 4lbs.....(Mr. Cruickshank) 0

The ponies started in an even line. Aspirant and Castanet took a slight advantage of the remainder, who were running in close order. On passing the stand Castanet was leading by half a length, Aspirant, and Red Fish being the nearest to him. At the plantation Dunblane made an effort to overhaul Red Fish, but seeing this Mr. Master whipped up his pony and on the hill took first position from Castanet. Passing the village White Rose came out gallantly and challenged Red Fish, while Glenmore took up a strong third position. In this order they ran down the straight, White Rose winning a capital race by a length and a half. Glenmore was third six lengths behind, and Jeevchik was fourth. Time, 2 mins. 39½ secs.

The COMPRADORS' CUP; presented; second pony to receive half the entrance fees; for subscription griffins of this season, 1897-98; allowed 7lbs.; entries $10. One mile and a quarter.

Mr. G. H. Potts's White Heather, 10st. 12lbs.....(Mr. W. Cox) 1

Mr. Jay's Mansachto, 10st. 12lbs.....(Mr. Sampson) 0
Messrs. McKie & Gove's Beech Tree, 10st. 12lbs.....(Mr. Crawford) 0

Gamecock, Mansachto, and Beech Tree lead the way until reaching the bridge, when Gamecock swerved and attempted to get out by the gate. He was never able to make good the ground he had thus lost. Ingoldsby went forward, but all the ponies assumed close order. Going up the hill Mulatto left the crowd and quickly took a lead of a couple of lengths, increasing it to half a dozen lengths on reaching the village. White Heather was now the most prominent of the others and in the straight he and Mulatto ran a very fine race, the latter getting home by a head. Ingoldsby and Mansachto ran an exceedingly close race for third position, Ingoldsby getting placed with only a head to the good. Time, 2 mins. 13½ secs.

The HONGKONG CLUB CUP; presented; second pony to receive half the entrance fees; for China ponies; weight for inches as per scale; entrance $15. One mile and a half.

Mr. Hopeful's Orwell, 11st. 7lbs.....(Mr. W. Cox) 1

Mr. Linton's Slander, 10st. 9lbs.....(Mr. Crawford) 0
Mr. Westfield's Desperation, 11st. 11lb.....(Capt. Burney) 0

Orwell very quickly took the lead, Mufti and Desperation being the next in order a considerable distance behind. Mufti, however, soon got abreast of Orwell and the pair ran right away from the remainder, who were bunched together. Going up the hill Mufti lost ground and allowed Guiding Star to take second place, but the distance between him and the leader was about four lengths at the village. In the straight none of the ponies could gain any advantage on Orwell, who passed the post a very comfortable winner. Hedgerose and Mufti had a close race for third place, the former obtaining that position by only half a length, Desperation being fifth. Time, 3 mins. 14½ secs.

The ENCOURAGEMENT STAKES; a sweepstakes of $5 each with $100 added; for subscription griffins of this season, 1897-98; first pony to receive 70 per cent.; second, 20 per cent.; third, 10 per cent.; previous winners exceeded weight for inches as per scale. Once round.

Mr. Wayfoong's Rupee, 10st. 12lbs.....(Mr. Anderson) 0

Very little difficulty was experienced in getting the ponies away. Shetland was the first to show up. The race was somewhat of a scramble until the village was reached, when Landsknecht came gamely out of the rack, took first place, and won with comparative ease by three lengths; one and a half lengths between second and third, Beachcomber being fourth. Time, 1 min. 57 secs.

SUPREME COURT.

IN ORIGINAL JURISDICTION.

BEFORE SIR JOHN CARRINGTON (CHIEF JUSTICE).

D. A. GUBBAY AND OTHERS *v.* E. R. BELILIOS.

JUDGMENT.—(Continued.)

On the 15th May, 1895, some 40 members of the community signed a document in which they stated that they were "agreeable that Messrs. D. R. Sassoon, M. D. Ezekiel, E. R. Belilios, and A. J. David should become trustees and receive the whole of the property, furniture, etc., and any available fund belonging to the present synagogue in this colony." On the same date the following document was executed:—

Hongkong, 15th May, 1896.

At the request of our community of this colony we the undersigned are willing to become trustees and to receive the whole of the property and any available fund belonging to the present synagogue.

D. R. SASSOON.
E. R. BELILIOS.
A. J. DAVID.

Mr. D. R. Sassoon was at that time the senior resident partner of Messrs. David Sassoon, Sons & Co. Mr. Ezekiel apparently did not sign because of his connection with Messrs. E. D. Sassoon & Co. It will be observed that in these documents no mention is made of the proposed new synagogue or of its site, although no doubt the appointment was connected with both these matters.

On the 20th May, 1896, Messrs. D. R. Sassoon and A. J. David and the defendant wrote to Mr. J. E. Sassoon informing him of their appointment as trustees, "together with his representative," and asking that the existing synagogue and his promised donation of $5,000 might be handed to them. Then there occurs the following paragraph:—

"It is the intention of the community to sell the old property, and with the proceeds thereof plus your grant of $5,000 to buy a suitable site and build upon it a synagogue and call it 'Ohel Lea.' The enclosed copy of report of the architects, Messrs. Leig

ton in explanation of the time and circumstances of the application made by the defendant for lots Nos. 1,382 and 1,383, but it incidentally refers to his application for lot No. 1,381. On the whole I take its meaning to be that the defendant applied for Lot No. 1,381 in his own name but with the object of getting the community to build a synagogue there; that in the latter part of May he learned the existence of an influential opposition to that site; that it then occurred to him that, in consequence of this opposition, the lot would probably remain his property, instead of being taken from him by the community, and that he accordingly, about the beginning of June, asked Mr. Danby to apply for the two upper lots in order that he might utilise them in conjunction with the lower lot. This construction is borne out by a letter from Mr. Danby, which, it will be remembered, was enclosed in the defendant's letter and which the defendant had read and the statements in which he says he "corroborates." The material portion of this letter is as follows:—

"Hongkong, 31st July, 1896.

"The Hon. E. R. Belilios, C.M.G.

"Dear Sir,—In accordance with your instructions, I forward you the following memoranda respecting the two sites on the Kennedy Road on the West side of the Tramway.

"On the 27th of April last, I received instructions from yourself to send in an application to the Director of Public Works, to apply for the piece of ground on the Kennedy Road, between the Tramway and the Stone Bridge over the Nullah (and known as the synagogue site) to be put up to public auction sale, the written application for which was sent Mr. Cooper on the following day, viz., on the 28th April.

"A few days after, during a conversation I had with you, on the Club verandah, you informed me that your idea in acquiring this ground was to offer it to the Jewish community, as a site for a new synagogue; whether it would be acceptable to them or otherwise, you could not tell at the time as the matter had to be referred to Bombay; should the Jewish community, however, decide eventually not to adopt it as a site for their synagogue, you would retain it yourself, in which case you might possibly purchase the site above it, and erect European houses on both lots.

"Sometime about the beginning of June, Mr. Chater informed me that he had been given to understand that your community were not in favour of your new synagogue and project, I inferred then from our previous conversation that you would retain this ground for building purposes should you become its purchaser, which you did eventually, the site being put up to public auction sale on the 13th inst."

Nothing could be clearer than this statement of the object and purposes of the defendant in applying for Lot No. 1,381. It is inconsistent with the plaintiff's position that he applied for the lot on behalf of the community, that is, acting as their agent or representative in the matter; it is consistent with his own position that he applied for it with the intention of offering it, or at any rate a portion of it, to the community. The value of the two letters to which I am now referring lies in the fact that they were written within a little over a fortnight of the purchase of lot No. 1,381, and before any dispute had arisen with regard to the circumstances of the acquisition of that lot.

On the 11th August, 1896, the defendant became the purchaser from the Crown of lots Nos. 1,382 and 1,383. He thus had the legal title, or at any rate the right to call for the legal title, to the entire block of land which I have already described.

About the middle of August, 1896, Mr. Danby began to take levels and make surveys of the block. This work was continued from time to time during the next few following months, and by December a plan of the contours of the block was completed. Mr. Danby says that the defendant often pressed him to get on with the plans for the buildings which were to be erected but he told him that he could do nothing until the question of the synagogue was settled.

Next comes the following letter:—

London, 27th October, 1896.

J. E. Sassoon, Esq.

Dear Sir,—We are in receipt of your favour of the 25th ult. respecting the synagogue in Hongkong and in reply we would now inform you that we are agreeable to all the terms and conditions therein stated and trust that you will kindly instruct your firm here to transfer to us the whole of the property belonging to the present synagogue and the sum of $5,000 you have agreed to contribute, for which we thank you.

In the meantime we shall proceed to negotiate in concert with your firm's representative for the sale of the present synagogue property and the selection of the site for the building of the new one, as we deem it advisable to do so without further delay.

Reciprocating your wishes of the compliments of the season.—We are, dear sir, sincerely yours,

D. E. SASSOON.
E. R. BELILIOS.
A. J. DAVID.

This letter was drafted by Mr. Silas and was signed by Messrs. D. E. Sassoon and A. J. David and the defendant. The facts relating to the application for and the acquisition of Lot No. 1,381 must be presumed to have been in the knowledge of all these persons. Yet how do they treat the transaction in writing to Mr. J. E. Sassoon, who had a vital interest in it? Do they write to inform him that, since the date of their last letter to him—the 20th May, 1896—the defendant had purchased, on behalf of the community, the site referred to in that letter; that he had paid for it; and that they were anxious to take it over from him and to commence building the new synagogue upon it? If the three first-named gentlemen had at that time taken the view of the transaction which they have since put forward, surely these things, or something like these things, are what they would have written to Mr. Sassoon. But they do not write these things or anything like them. On the contrary, they treat the question of the site as still open, as still matter for selection and negotiation. The observation also occurs that if the defendant had really bought and held the land on behalf of the community, he would hardly have signed a letter which entirely ignores the transaction.

What meaning Mr. D. E. Sassoon put upon the reference to the question of the site in this letter is plain from his letter in reply. This letter is as follows:—

Hongkong, 23rd December, 1896.

The Hon. E. R. Belilios, D. E. Sassoon, A. J. David.

Dear Sirs,—Your two favours of the 27th October and 18th ult. have duly come to hand. All the deeds and documents relating to the present synagogue are with our Hongkong firm and I am writing to them to pay over to you, as the sole trustees of the new synagogue, $5,000 on my behalf. I hear that the synagogue property is worth $25,000 and I rely upon you to realise the highest sum possible. This amount, together with my donation, will enable you to erect a new synagogue and no doubt you will see that the new building will be as nice, pretty, airy, and comfortable as it is possible for a place of worship to be, and what is most essential that it be built on a good site; when the new site has been selected and the building is ready, it is my desire that the following be inscribed on a marble slab, both in Hebrew and English, and placed in a conspicuous position in the new synagogue, viz:—"This synagogue is presented by Mr. Jacob Sassoon and his brothers to the Jewish community of Hongkong in memory of their revered mother Leah." The new synagogue should therefore be called after her name, "Ohel Leah."—Yours faithfully,

J. E. SASSOON.

In this letter Mr. J. E. Sassoon presses on these gentlemen, who say they had already got a site, but who had not told him of it, the importance of building on "a good site" and treats the selection of the site as a matter still *in futuro*.

THE NEW FRENCH REMEDY.

THERAPION.

This successful and highly popular remedy, at employed in the Continental Hospitals by Ricord, Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed.

THERAPION No. 1, in a few days only, removes all discharges from the urinary organs, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief where other well-tried remedies have been powerless.

THERAPION No. 2, for impurity of the blood, scurvy, pimples, spots, blotches, pains, and swellings of the joints, secondary symptoms, disease of the bones, sore throat, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth and ruin of health. This preparation purifies the whole system through the blood, and thoroughly eliminates every poisonous matter from the body.

THERAPION, No. 3, for nervous exhaustion, waste of vitality, and all the distressing consequences arising from early error, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated.

THERAPION may be procured at 2/9 and 4/9 per package, of the principal Chemists and Merchants throughout the world. In ordering, the purchaser should state which of the three numbers he requires, and observe that the word "THERAPION" appears on the Government Stamp (in white letters on a red ground) affixed to every genuine package by order of Her Majesty's Hon. Commissioners, and without which it is a forgery.
